Information within this brochure is correct at the time of going to print in September 2011. Due to the fact that artisan products may vary from season to season, and from batch to batch, we may occasionally not be happy with the quality. In such rare cases, we will substitute with something we consider equally good or better. For full terms and conditions please refer to the Order Form.

As Britain's leading cheesemonger for over 200 years, we offer all that is best in cheese, associated fine food, wine and essential equipment.

This brochure features a selection of these. For a comprehensive list of all that we offer, please visit our website at [www.paxtonandwhitfield.co.uk](http://www.paxtonandwhitfield.co.uk) where you can also buy a wider range of individual cheeses at our online cheese counter, further hampers, gift packs and accessories.
